STUDENT GOVERNMENT: THE STUDENT ADVOCACY COUNCIL OF
METROPOLITAN STATE UNIVERSITY OF DENVER
FALL SESSION
August 19, 2026

CR FA26-04

Resolution to Purchase Student Government T-Shirts

AUTHORED BY: Luke Garcia
SPONSORED BY:
ENDORSED BY: William Coats, Maisie Vilchis

ABSTRACT: This resolution authorizes SG: TSAC to purchase shirts for current councilors using funds allocated to the Public Relations Committee. The shirts will primarily be used to clearly identify councilors while participating in student government events, tabling, outreach, and other official activities.

WHEREAS: Councilors regularly participate in events, tabling, outreach, and other activities where students may not immediately recognize who is representing Student Government.

WHEREAS: Providing matching shirts would allow councilors to be more easily identified by students while representing the Council and would help increase awareness of TSAC during public-facing activities.

WHEREAS: The Public Relations Committee is responsible for managing SG:TSAC-sponsored events and supporting outreach to the student body, and councilor identification apparel supports those responsibilities.

WHEREAS: This resolution is intended to provide one shirt for each active councilor.

THEREFORE, BE IT RESOLVED: SG: TSAC approves the purchase of shirts for current councilors, with the purchase being drawn from the Public Relations Committee budget.

FURTHER, BE IT RESOLVED: The total purchase authorized under this resolution shall not exceed **$400**, including printing, setup charges, shipping, and any other costs associated with the order.

FURTHER, BE IT RESOLVED: If additional councilors join SG:TSAC after the initial purchase authorized by this resolution, the Council may approve additional funds from the Public Relations Committee budget for the purchase of a matching shirt for each new councilor. Any such additional purchase shall require Council approval and shall not count toward the $400 maximum authorized for the initial purchase.

FURTHER, BE IT RESOLVED: The final shirt design shall visibly identify the wearer with Student Government: The Student Advocacy Council or SG:TSAC.

FURTHER, BE IT RESOLVED: The shirts shall not be considered additional compensation, a stipend, or a personal gift to councilors. The purchase shall only proceed after confirmation from the appropriate Budget Committee and University staff that the purchase is allowable under applicable financial and purchasing requirements.

FURTHER, BE IT RESOLVED: Shirts purchased under this resolution will become the personal property of the councilors receiving them and will not be required to be returned upon resignation, removal, or completion of a councilor's term, and councilors shall be responsible for the care and maintenance of their shirts; in the event a shirt is lost, damaged, or otherwise unusable, if a replacement is wanted by the councilor, it shall be the financial responsibility of the individual councilor.

FURTHER, BE IT RESOLVED: The Public Relations Committee will coordinate the final design, sizing, vendor selection, and ordering of the shirts with the advisor. The final design and estimated total cost will be made available to the Council before the order is submitted.

FINALLY, BE IT RESOLVED: Following the purchase, the Public Relations Committee will provide the Council with the final amount spent and will coordinate with the Budget Committee to ensure the expense is properly documented.
