This employer is a Government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA), which requires Government contractors to take affirmative action to employ and advance in employment: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans; and (4) Armed Forces service medal veterans.

If you believe you belong to any of the categories of protected veterans listed above, please indicate by checking the appropriate box below. As a Government contractor subject to VEVRAA, we request this information in order to measure the effectiveness of the outreach and positive recruitment efforts we undertake pursuant to VEVRAA.

These classifications are defined as follows:
I am not a Veteran.
I am not a protected veteran.
A "disabled veteran" is one of the following:
<ul> <li>A veteran of the U.S. military, ground, naval or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; or</li> </ul>
<ul> <li>A person who was discharged or released from active duty because of a service-connected disability</li> </ul>
A " <u>recently separated veteran</u> " means any veteran during the three-year period beginning on the date of such veteran's discharge or release from active duty in the U.S. military, ground, naval, or air service.
Date of Separation:
An " <u>active duty wartime or campaign badge veteran</u> " means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense.
An " <u>Armed forces service medal veteran</u> " means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985.
Protected veterans may have additional rights under USERRA—the Uniformed Services Employment and Reemploymen Rights Act. In particular, if you were absent from employment in order to perform service in the uniformed service, you may be entitled to be reemployed by your employer in the position you would have obtained with reasonable certainty if not for the absence due to service. We are a federal contractor or subcontractor required by law to provide equal employment opportunity to qualified people with disabilities. We are also required to measure our progress toward having at least 7% of our workforce be individuals with disabilities. Identifying yourself as an individual with a disability is voluntary, and we hope that you will choose to do so. Your answer will be maintained confidentially and not be seen by selecting officials or anyone else involved in making personnel decisions. Completing the form will not negatively impact you in any way, regardless of whether you have self-identified in the past. For more information about this form or the equal employment obligations of federal contractors under Section 503 of the Rehabilitation Act, visit the U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) website at <a href="https://www.dol.gov/ofccp">www.dol.gov/ofccp</a>.

Form W-4 (2022) Page **2** 

#### **General Instructions**

Section references are to the Internal Revenue Code.

#### **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

#### **Purpose of Form**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2022 if you meet both of the following conditions: you had no federal income tax liability in 2021 and you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if (1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2023.

**Your privacy.** If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

**When to use the estimator.** Consider using the estimator at *www.irs.gov/W4App* if you:

- 1. Expect to work only part of the year;
- 2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
- 3. Have self-employment income (see below); or
- 4. Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

#### Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2022)

#### Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	<b>Two jobs.</b> If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, <b>skip</b> to line 3	1	\$
2	<b>Three jobs.</b> If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	<b>a</b> Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	<b>2</b> a	\$
	<b>b</b> Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	<b>Divide</b> the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in <b>Step 4(c)</b> of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) – Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2022 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter:   • \$25,900 if you're married filing jointly or qualifying widow(er) • \$19,400 if you're head of household • \$12,950 if you're single or married filing separately	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

The 'Wpksgtuks defines Personal Activity as any private practice, private consulting, teaching or research for another organization, or similar services to third parties, whether compensated or uncompensated, which are not a part of the employee's assigned duties for which the Wpksgtuks has provided no compensation. The following are Wpksgtuks policies for Outside Personal Activities:

- Outside employment or business ownership shall not interfere with the performance of contractual responsibilities.
- Employees should be aware of their obligations and responsibilities as public employees of the Wpkxgtuk. An employee is bound to observe, in all official acts, the highest standards of ethics consistent with the code of ethics of the State of Colorado (Part 18, Article 24, Colorado Revised Statutes), the advisory opinions rendered with respect thereto, and Wpkxgtuk/ "policies.
- ♦ Nothing in this Article is intended to discourage an employee from engaging in personal activity in order to increase the employee's professional reputation, service to the community, or income, subject to the conditions stated therein.

Employees are responsible for disclosing and resolving conflicts of interest, working with their supervisors and other Wpkxgtuk/ officials. A conflict of interest includes:

- ◆ Any conflict between the personal activities of the employee and the public interests of the Wpkxgtuk√{, the Board of Trustees, or the State of Colorado, including conflicts of interests specified under Colorado Statutes;
- Any conflict between a personal activity and the full and effective performance of the employee's duties and obligations to the Wbksgtuks; or
- Any conflict or appearance of conflict between a personal relationship and the exercise of unbiased professional judgment in performance of the employee's institutional responsibilities or obligations.

Any employee who proposes to engage in any compensated personal activity, or any other personal activity which the employee should reasonably conclude may create a conflict of interest, shall report to the employee's supervisor, in writing, the details of such proposed activity prior to engaging therein. The report shall include, where applicable, the name of the employer or other receipt of services; the funding source; the location where the activity will be performed; the nature and extent of the activity; and the intended use of Wpkxgtuk{ 'facilities, equipment or services. This report shall be submitted every semester that the outside activity continues and if there is a significant change in the outside activity such as the nature of the activity, the extent of appointment, funding, etc. An employee engaging in any personal activity shall not use the facilities, equipment, or services of the Wpkxgtuk{ in connection with such outside activity without prior approval of the President or a representative. Approval for the use of Wpkxgtuk{ facilities, equipment, or services may be conditioned upon reimbursement for the use thereof.

Any employee engaging in personal activity shall take reasonable precautions to ensure that the outside employer or other recipient of services understands that the employee is engaging in such outside activity as a private citizen and not as an employee, agent, or spokesperson of the Wpksgtuk/{.

# Metropolitan State University of Denver Confidentiality Agreement – Federal Educational Rights and Privacy Act

#### Federal Educational Rights and Privacy Act (FERPA)

FERPA is a federal law protecting the privacy of a student's educational records and applies to any educational institutions that receive funds under any program administered by the U.S. Department of Education. Violation to FERPA would result to the University losing the ability to provide financial aid to our students.

FERPA rights belong to the student at a postsecondary institution regardless of age. Student applies to all students—including continuing education students, students auditing a class, distance education students, and former students.

Metropolitan State University of Denver maintains educational records for each student who has enrolled at the University. Under the Family Education Rights and Privacy Act of 1974, 20 USC 1232g, and the implementing regulations published at 34 CFR part 99, each eligible student has the right to:

- 1. Inspect and review his/her educational records;
- 2. Request the amendment of the student's education records to ensure that they are not inaccurate, misleading or otherwise in violation of the student's privacy or other rights;
- 3. Consent to the extent that FERPA authorizes disclosure without consent (see Nondisclosure and Exceptions in the University catalog under Student's Rights and Responsibilities.
- 4. File a complaint under 34 CFR 99.64, concerning alleged failures by the University to comply with the requirements of FERPA, with the Family Compliance Office, U.S. Department of Education.

As a staff or faculty member at MSU Denver, it is your responsibility to oversee and uphold the rights of FERPA grants to our students. Basic guidelines include:

- Do not display any personally identifiable data or information which includes, but is not limited to student's name, the name of the student's parent or other family members, the address of the student or student's family, a personal identifier such as SSN, student number or biometric record. Other indirect identifiers such as the student's date of birth, place of birth, mother's maiden name, or other information alone or in combination that is linked to a specific student.
- Student educational records are considered confidential and cannot be released without the student's prior written consent.
- As a student worker, staff, or faculty member, you are given access to student educational records for the sole purpose of performing your job. It is your responsibility to protect educational records whenever they are used and regardless of the medium in which they are accessed.
- Do not use anyone else's username or password or allow anyone to use yours. Log out of Banner when not in use and lock your computer when you walk away.
- When in doubt, do not give it out. Do not hesitate to call the Office of the Registrar at 303-556-3991 for any FERPA guidance.
