

GPA Quality Point Calculator for term: _____

Student	9 0 0	Date
Advisor	Advisor email @msudenver.edu	Advisor phone

- For GPA hours and Quality Points, see **Unofficial Academic Transcript in ConnectU My Services/Registration**.
- **Advisors:** in Banner, use SHATERM to see cumulative GPA Hours and Quality Points; use SFAREGQ for enrolled hours.
- CCD developmental hours and grades are NOT included in GPA calculations, but any failed course does count against satisfactory academic progress (SAP). See the Financial Aid office for your specific SAP requirement.
- Do not include transfer grades or hours in calculating GPA. Grades and hours in UCD pooled courses are included, however.

1	Write in cumulative GPA Hours:		Grade point values	A+ 4.00	A 4.00	A- 3.67
2	Write in enrolled GPA Hours: <i>This does not include any CCD Developmental hours because they are not counted in GPA.</i>	+		B+ 3.33	B 3.00	B- 2.67
3	Write in enrolled GPA hours that are repeated: <i>Looking at current term, how many hours are repeated and shouldn't be counted again?</i>	-		C+ 2.33	C 2.00	C- 1.67
4	Sum of hours in <u>row 1</u> + <u>row 2</u> - <u>row 3</u>:	=		D+ 1.33	D 1.00	D- 0.67
5	Multiply <u>row 4</u> by the number '2.0': <i>If you want to reach GPA higher than 2.0, substitute that higher GPA for the number 2.0.</i>	×2.0=		F 0.00		
6	Write in cumulative Quality Points: <i>do not include any quality points earned for earlier attempts at repeated classes.</i>	-	To get minimum average letter grade needed, convert <u>row 8</u> to the grade with the next highest grade point value from chart above	Box 9		
7	Subtract <u>row 6</u> from <u>row 5</u>: <i>quality points needed this semester for the student to reach good standing 2.0 GPA.</i>	=		Minimum Average Grade*		
8	Divide <u>row 7</u> by <u>row 2</u>: <i>Average grade points needed per class.</i>					

Course	Hours	Start with minimum letter grade in Box 9		Multiply Hours × Grade Point Value	Notes:
		Letter Grade*	Grade Point Value		
				+	
				+	
				+	
				+	
Total Quality Points for this term:				=	
<i>This semester total must be equal to or higher than the number of quality points in <u>row 7</u> above for you to reach good standing.</i>					

Student Reminders:

- You must work with a Financial Aid counselor to understand **your** specific SAP requirements.
- ***Any C-, D+, D, D- or F grade works against you earning a minimum 2.0 cumulative GPA for good standing.** Earning higher grades in some classes may mean other grades might not meet the specific minimum shown as long as your total quality points are met. It is important, of course, that you **always strive to earn the best grades you can in all of your classes**, exceeding minimums when possible.
- Any mark of F, NC, NR, I, IP, W, or AW counts against your SAP. For full list of notations, see "Academic Policies and Procedures" in catalog.msudenver.edu
- Develop an academic plan for each semester, utilizing campus resources and seeking support as needed throughout the term.

I, the student, accept responsibility for earning the highest grades I can, seeking support and guidance as needed.
