MINOR COURSES: Student selects a minor with approval of the faculty. Students who have an associate's degree in a health occupation may substitute up to 24 hours of selected, approved associate's degree major courses in place of a minor toward the bachelor's degree. Students who have attended the Paramedic School at the Denver Health Medical Center, obtained a Paramedic Certificate and received state licensure as a paramedic may use this in lieu of a minor. Health care management majors who desire to work in institutions providing care to the elderly are encouraged to take the gerontology minor.
