**Subject:** Feedback

Hi, Ann. Just wanted to give some feedback on the potential new structuring for the university. Our department would prefer the "Behavioral" be removed from the proposed College of Social and (Behavioral) Sciences. Human Services & Counseling and Social Work are Behavioral Sciences so it would be a bit of a misrepresentation of that College. It also seems odd that Psych is in there with Biology and Chemistry, but our understanding is that that was their request.

Thanks!

**Lynann "Annie" Butler**
