Transfer Recommendation: We do **NOT** recommend completing an associate degree due to available courses at the Colorado community colleges that will apply to the bachelor's degree.

To complete your Associates degree, we recommend completing the Reverse Transfer Process with MSU Denver. Check <https://www.msudenver.edu/registrar/student/reversetransfer/> for more information.

Students who have an associate degree in a health occupation may substitute up to 24 hours of selected, approved associate degree major courses in lieu of the minor requirement.
