MSU DENVER ALUMNI ASSOCIATION: 50/50 RAFFLE FUNDRAISER Volunteer Information

OVERVIEW:

The MSU Denver Alumni Association obtained a raffle license through the Colorado Secretary of State's office to conduct a 50/50 raffle at all Colorado Rockies home games. Our responsibility is staff each game with 20 volunteers to sell raffle tickets; in exchange we will receive approximately 25% of the net revenue. Each volunteer ticket seller will earn a minimum of \$200 per game for the MSU Denver department or group of choice (to be designated during registration). This revenue will be distributed to respective groups/departments at the end of each month. There is a potential to earn bonuses based on total ticket sales and total revenue generated – this will be determined once the season is over. The more tickets you sell, the more money you earn for your department!

In addition to receiving revenue from ticket sales, MSU Denver will also be mentioned in multiple promotions and announcements throughout each game. This a great opportunity for MSU Denver and we expect our raffle ticket sellers to be exceptional ambassadors of our university while at the stadium!

TO DO:

2. All volunteers need an official Rockies Credential in order to access the stadium and various areas within the stadium, therefore you must submit:

3. All volunteers will need to review the attached "Training Manual" and complete the training module through "Skillo", prior to arrival (a link will be emailed to you after you sign up).
