Metro Meritus

HOW TO SELL YOUR TEXTBOOKS BACK AFTER FINISHING A COURSE

Students at Metropolitan State University of Denver are required to show their student I.D. when selling books back at the end of the semester. As a Metro Meritus student this requirement presents a unique problem when trying to sell textbooks back because you are not formally enrolled as a degree seeking student and are you are not issued a formal student I.D.

If you would like to sell your text books back to the Auraria Bookstore, present your Metro Meritus I.D. or a copy of your Metro Meritus registration form. Should the bookstore have questions, they can contact the Center for Individualized Learning at 303-615-0525.
