Tortilleras Negotiating Intimacy: Love, Friendship, and Sex in Queer Mexico City is the first ethnography in English to focus primarily on women’s sexual and intimate cultures in Mexico. The book shows the transformation of intimacy in the lives of three generations of women in queer spaces in contemporary Mexico City, as their sexual citizenship changes, including references to same-sex marriage and anti-discrimination laws. The book shows how these individuals reconfigure relationships through marriage, polyamory, friendship, and sex.
