Notes: 1. See the community college course catalog degree plan to see which general education courses meet these requirements for the AA degree. 2. All MSU Denver students are required to take or transfer in a Multicultural elective (**can** be within major) **AND** a Global Diversity elective (**cannot** be within major). ECO 3600 meets the Multicultural requirement. 3. Students need 6 credits in Social and Behavioral Science outside the major. PSC 1010 is recommended as one of these courses. Choose the other **in consultation with a faculty advisor**. 4. Choose major electives **in consultation with a faculty advisor**. 5. This major requires that students also choose a minor, which will require a minimum of 18 credits, depending on the program. Choose a minor, and choose courses within that minor, **in consultation with faculty advisors** in each department. 6. Economics accepts this in lieu of MTH 1210, Introduction to Statistics, a required course.
