	ITP Elective (3)	
	ITP Elective (3)	
	General Elective (3)	

* Required prerequisite/support course.

**Either MTH 1210 or PSY 2310 is required for this degree. If students have taken PSY 2310, they are not required to take MTH 1210 and can take any other General Studies approved math course.

***ITP 2000 (1 credit) has been replaced by ITP 1000-Health Career Foundations (3 credits). Students that complete ITP 1000 in place of ITP 2000 will only need 1 general elective credit for that semester to off-set the credit difference.

**** Please make sure you consult with an academic advisor to determine if taking a 1 credit general elective is required

*****If doing six credit hour internship in Integrative Therapeutic Practices, do not take three credit hour general elective that semester
