	**CPR certification	

\*\*Current Adult, Infant, and Child CPR with First Aid certification or First Aid Basics and Community CPR certifications are required and can be obtained through the American Red Cross, American Heart Association, or equivalent organizations. Online training will NOT be accepted as meeting this requirement. Students who would like more advanced training may substitute "Emergency Response" and "CPR for the Professional Rescuer" certification which are satisfied through completion of HPS 2060.

\*PSY 1001 is a required prerequisite for PSY 2210.
