The Centura Health Scholars Program is a nine-month program beginning in Fall 2020. This program aims to prepare accepted students to transition from the classroom into meaningful careers at Centura Health.

HEALTH SCHOLARS ACCEPTED WILL RECEIVE

- Scholarship and stipends over Fall and Spring semesters amounting to $5,000
- Proactive advising from a Health Career Navigator
- Shadowing and career mentoring from an employee at Centura Health
- Three credits by enrolling and successfully completing a class focused on Life Design curricula, building social capital, StrengthsFinder assessments, and more!

FOR MORE INFORMATION

CLICK HERE TO APPLY. APPLICATIONS DUE BY MAY 8TH, 2020.

Students must have at least 30 credits completed before the Fall 2020 semester in order to be considered. Additionally, accepted students must intend to complete at least 6 credits in both Fall 2020 and Spring 2021 semesters. Students with at least a 2.5 GPA are encouraged to apply. Students must complete the general scholarship application first and then will be directed to the application for this program.
