Attention: Ronald Tilton

Dear Ronald:

Enclosed is the 2015 Exempt Organization return, as follows...

2015 Form 990

2015 IRS E-File Signature Authorization For An Exempt Organization (Form 8879-EO)

Please review the return for completeness and accuracy.

In addition, we have included a public disclosure copy of the Form 990 and Form 990-T (if applicable). All exempt organizations are required to have a copy of its current year Form 990 and two prior year returns available for public inspection. If the Form 990 includes a Schedule of Contributors (Schedule B), we have removed the names and addresses of contributors from this return, as this information is not open to public inspection. Only organizations exempt under 501(c)(3) must make the current year Form 990-T and two prior year returns available. You should sign the copy of these returns and keep them available at your primary office location.

We have prepared the return from information you furnished us without verification. Upon examination of the return by tax authorities, requests may be made for underlying data. We therefore recommend that you preserve all records which you may be called upon to produce in connection with such possible examinations.

Many states require legal entities to register with them in order to do business in their state. Please remember to keep your registration active and current for each state that you have business activities.

We sincerely appreciate the opportunity to serve you. Please contact us if you have any questions concerning the tax

return.

Sincerely,

Kyle Fritch, CPA

If a potential conflict of interest exists the individual(s) will be given the opportunity to disclose all material facts to the board of directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement. The chairman of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
