### SECTION C: To be completed by student and parent/legal guardian

Attention student and parent or guardian: Your signature below indicates that you wish the above-named student to participate in the ASCENT Program and that you agree to the following:

- The student received advice and counsel about participating in the ASCENT Program from his or her school or district. The student may not enroll in a course under the ASCENT Program unless it fits with his or her Individual Career & Academic Plan (ICAP/PEP) and is approved by the school district.
- The student must apply for the College Opportunity Fund (COF) before enrolling in any ASCENT course. This can be done online at [cof.college-assist.org](http://cof.college-assist.org). If the student does not receive COF, the student and the student's parent or legal guardian will be responsible for current COF rates in addition to tuition.
- The student authorized use of his or her COF stipend for all eligible credits for the semester stated above and all future semesters. Undergraduate-level credits used will be deducted from the student's COF lifetime account.
- The student must meet the same prerequisites and course expectations as all other college students in a course, as noted in the MSU Denver catalog and the course syllabus.
- The grade received in each course will appear on the student's official high school and college transcripts.
- If the student seeks to add, drop or withdraw from a college course, he or she must contact the school district ASCENT Coordinator and the MSU Denver Concurrent Enrollment staff.
- If the student withdraws from a course after the MSU Denver drop deadline and up to the withdraw deadline, the University will record a "W" on his or her college transcript.
- If the student receives a grade of "D", "F", "Incomplete" or "W", the student and the student's parent or legal guardian may be required to pay the school district for the tuition it paid MSU Denver.
- The school or district will hold the student's high school diploma and not count him or her as a graduate until he or she has completed the ASCENT Program.
- Only courses that apply toward a college degree or certificate are covered under the ASCENT Program.
- The ASCENT Program applies to the fall and spring semesters immediately following the student's 12th grade year.
- In compliance with the Family Educational Rights and Privacy Act (FERPA) of 1974, the student gives MSU Denver permission to report absences and disciplinary issues, and to release grades, transcripts, in progress grades, class schedules, and billing information, as available, to the school district for the courses covered under the ASCENT Program at MSU Denver.
- The student understands that he or she will NOT be eligible for financial aid while still in high school.
- Students may be responsible for all course textbooks, materials, and mandatory student fees.
- With regard to college activities, qualified students may participate but are not eligible for NCAA athletic activities.
- College course credits may transfer in congruence with CO GT Pathways or statewide transfer agreements. Most colleges and universities do not give incoming transfer credit for courses below a grade of a 'C-'.

**I affirm that all information supplied in Sections A, B, and C is true and complete. In addition, I understand, agree to, and will abide by all of the statements in this section.**
