

## Faculty Grant Support Program

**Program Goal:** The goal of this program is to promote a culture of collaborative grant writing activity by offering faculty support financially and administratively.

Faculty can utilize the budget (up to \$5000) to support their grant writing activities in any number of ways, including but not limited to:

1. Request salary supplement during the summer term
2. Request travel support to meet with Program Officers
3. Request purchase of research equipment and supplies that support seeking research grant funding
4. Request registration fee for attending a grant-writing workshop

**Eligibility:** Category I faculty are eligible to apply and should be the primary requestor for cross-disciplinary applications. *One application* per collaborative funding request. Priority will be given to grant activities that cross-disciplinary or college boundaries. Funding will be split between the faculty pursuing the grant or research. Example: Grant application that requires STEM and education components.

**Application Deadline:** Summer 2021 applications are due by January 22, 2021. Awards are limited. Notification of award will be provided by February 5, 2021.

### Application Instruction:

- Complete and attach the cover sheet
  - Clearly identify a publicly funded program to which a grant application will be submitted or prepared for submission.
  - Provide the signature of the faculty member's Chair. Note: all applications subject to the approval of the Chair/s.
- Provide a brief description of the project or grant application and its cross-disciplinary nature or components.
- Submit the completed application to Linda Sivertson ([lsivert1@msudenver.edu](mailto:lsivert1@msudenver.edu)) by January 22, 2021.

**Post-Award Report:** Faculty will submit a copy of submitted, or ready to submit, grant proposal and/or completed award components to Linda Sivertson ([lsivert1@msudenver.edu](mailto:lsivert1@msudenver.edu))
