

CONDUCT APPEAL FORM

The criteria for the appeal are limited to the following:

1. To determine whether the original hearing was conducted fairly in light of the charges and evidence presented and in conformity with prescribed procedures, giving the complaining party a reasonable opportunity to prepare and to present a rebuttal of those allegations.
2. To determine whether the decision reached regarding the accused student or organization was based on substantial evidence; that is, whether the facts in the case were sufficient to establish that a violation of the Student Code of Conduct did occur.
3. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code of Conduct which the student or organization was found to have committed.
4. To consider new evidence sufficient to alter a decision or other relevant facts not brought out in the original hearing because the person or organization appealing did not know such evidence and/or facts at the time of the original hearing.

The purpose of an appeal is not to provide a second hearing for the case. The appeal decision will be based on the information outlined in the Student Code of Conduct. The appeal process is completely in writing. The appeal officer is appointed by the Office of the Provost. **The Appeal Officer will not meet with the student or re-hear the case. All requests for appeal must be filed in writing to the following location within five (5) working days from the receipt of the decision letter.**
