MARCH SPOTLIGHT: *Scholar Spotlight*

Check out two scholars who were recently highlighted by our [Scholarship Support partners](#): [Western Union Foundation](#) and [Denver Foundation](#).

Grace's choice to study social work was inspired by the resettlement agency that supported her when she arrived to United States as a refugee in 2016. She wants to give back to people like her. With the support of a Western Union Foundation scholarship, she is now focused on school full-time, volunteering in her community, and working part-time in the career she aspires to after graduating.
