Notes: 1. MSU Denver students must take or transfer in a Global Diversity class. These classes meet that requirement. 2. MSU Denver students need 40 upper-division credits. This course satisfies the Business Core requirement for MKT 3000, but comes in as a lower-division class. 3. Students need each of these classes to earn their BS. Either will satisfy this requirement for the AAS, and students must take the other to complete their BS degree. 4. MSU Denver students must take or transfer in a Multicultural elective (can be within major).
