*Either MTH 1210 or PSY 2310 is required for this degree. If students have taken PSY 2310, they are not required to take MTH 1210 and can take any other General Studies approved math course.

**If doing six credit hour internship in Integrative Therapeutic Practices, do not take three credit hour general elective that semester

*** Please make sure you consult with an academic advisor to determine if taking a 1 credit general elective is required
