Fall Registration Is Underway

Remember that fall registration is happening now. In addition to Peer Mentors, there are [resources available](#) to help you [get registered](#) today.

SCHOLARSHIP OPPORTUNITIES

Rowdy Return Scholarship

MSU Denver is joining the State of Colorado in providing financial incentives for getting a Covid-19 vaccine, with the launch of the '[Rowdy Return Scholarship](#)' vaccine drawing. The scholarship will award tuition to five MSU Denver undergraduate students who have received at least one dose of any of the three authorized Covid-19 vaccines.

To be entered into the drawing and eligible to receive a scholarship should you win, students must:

- Complete a vaccine-verification form, sent this month to all students via email, by Aug. 1 (email vaccines@msudenver.edu if you need the form resent to you).
- Have received their first vaccine by July 19, if they indicated on the verification form that they have not yet been vaccinated but intend to do so.
- Be registered for the fall semester.
- And have filled out a 2021-22 [Free Application for Federal Student Aid](#) (FAFSA) or [Colorado Application for State Financial Aid](#) (CASFA formerly DAIA) form.

Mind of Auraria Scholarship

The [Alpha Gamma Chapter](#) of Nu Alpha Kappa Fraternity, Inc. at MSU Denver in partnership with Alpine Bank, are proud and excited to bring you their first annual "[Mind of Auraria Scholarship](#)." Deadline to apply is July 29, with the winner being

announced on August 28.

GET INVOLVED

Calling All Artists

MSU Denver's [College Assistance Migrant Program \(CAMP\)](#) is holding an art contest with the winner receiving a \$500 award! The artwork will be used to promote farm work awareness on-and-off campus. The artwork will be printed on canvas tote bags, t-shirts, and other promotional materials for MSU Denver CAMP. Here are the details on the contest and how to submit:

Theme: The artist is encouraged to use inspiration from farm work in Colorado and familiar experiences with agricultural work.

Guidelines: The drawing will be printed in black and white (no color) on the tote bags and CAMP shirts.

Award: \$500 will be awarded to the winner of the contest.

Deadline: Please [submit your artwork](#) by 5 p.m. on Tuesday, July 6.

HOPES Program

The [Heightening Outcomes for Public benefit Enrolled Students \(HOPES\) Program](#) is an MSU Denver program that seeks to assist students in the maintenance of their Public Benefit Programs (i.e., SNAP, Medicaid, TANF, WIC, etc.) by creating and fostering community, as well as providing support services. If you are a degree-seeking student who is on a Public Benefit Program, [apply now](#) to the program!

Tune in to the Roadrunner Exchange Podcast

Listen in as Dr. Samuel Jay talks with MSU Denver President Janine Davidson about issues and decisions that impact the MSU Denver community. In [the most recent edition](#), Dr. Davidson covers the updated health and safety guidance for MSU Denver and discusses what factors went into the decision.

COVID VACCINE REMINDERS

Vaccine Verification and Exemption Form

MSU Denver is asking all students - including those taking face-to-face, hybrid and online courses - to submit the form to assist with our planning over the next two months. You should have received the form in your email, but if you need it resent to you, email vaccines@msudenver.edu. Or, find answers to common questions at this [FAQ page](#).

Health Center at Auraria Offering Covid Vaccinations

If you still need to get a vaccine, the Health Center at Auraria is distributing vaccines at the [5th Street Garage](#) (650 Walnut St., Denver, CO 80204), a drive-thru site, free of charge to anyone aged 12 and older, through the end of June. You do not have to have proof of citizenship or health insurance to receive the vaccine. [Schedule an appointment now](#) or use [Vaccines.gov](https://vaccines.gov) to find a vaccine near you.

Make The Most Of Your (Vaccinated) Denver Summer

With vaccine rates up and Covid-positivity rates down, the Colorado Department of Public Health ended its restrictions on large indoor gatherings, as well as amended some of the rules regarding masks. Check out this [RED article](#) on how you can make the most of your summer.
