TeamDynamix: New ITS Service Management Tool
Information Technology Systems (ITS) will be changing its current ticket and support system on March 1 to TeamDynamix (TDX). You can access FAQs and more information through the TDX portal.

Did you know that because you pay the Health Services Fee that you, as an MSU Denver student, have unlimited use of mental health services regardless of insurance.
Denver student, have unlimited use of mental health services regardless of insurance coverage? A common misconception is that a student needs to have the MSU Denver Student Insurance Plan or other insurance in order to access these no-cost services at the Health Center at Auraria or the Counseling Center.
