Let’s celebrate your resilience in continuing your licensure pathway! Bring in the new year in style and expand your superhero teaching toolkit.

What do you win?

- Superhero teachers increase digital equity and access through multimodal resources, such as doc cameras and projectors.
- Superhero teachers ensure equitable access for all students through Universal Design of Learning (UDL).
- Superhero teachers are easily recognizable by their MSU Denver School of Education (SOE) fashionwear (t-shirts, PPE, sunglasses, totes, and more).
