INFORMATION YOU NEED

CASE Summer Jobs

THESE POSITIONS ARE FOR THE MONTH OF JULY

Camp Counselor for Summer Science Institute

The Summer Science Institute is for middle school students. The students will engage in hands-on activities in the STEM field such as 3D Printing, Math, Biology, Chemistry, Computer Science, Rocket Science, Meteorology, Water Environment and Physics.

This position will guide students through their day. The counselors will pick students up at their drop off point and escort the students to their various activities. The counselors will also assist the professors in the classroom and take the students on a field trip to Elitch gardens to study Physics.

Camp Counselor for Summer Science Scholars

Three-week full day program for high school student to learn math and science through a directed research project. Scholars will present their research on the final day of the program.

The counselor will assist the students in their classes and research projects.

Surviving Quarantine

Carve out a workspace
Make a space specifically and put your work away at the end of the day

Establish a routine
Develop a routine and stay with it

Beware of distractions
Recognize the distractions at your house
