

Outdoor Pursuits Schedule

August through December 2021

OP Online

Outdoor Pursuits Program (OP):

OP is part of Campus Recreation and offers a variety of trips and instructional experiences including canyoneering, hiking, rock climbing, ice climbing, avalanche forecasting, mountaineering, camping, canoeing and more.

Adventures

Adventures are instructional, hard skills focused experiences that include new skills and review in challenging outdoor settings. Examples include rock climbing, ice climbing, trail running and more.

Adventure Leadership Programs (ALP)

ALP provides student leadership development and teambuilding for your group, club, class or office. Also, learn to facilitate teambuilding and participate in fun on-campus challenges.

CityScope

Explore the urban setting and the beauty and grit of Denver including art, archeological and historical sites surrounding campus. Join students for mellow social walks in the city and on the trail.

Climbing Wall

Located in the fitness center, the climbing wall is open any time the fitness center is open and is there for all levels of climbers from beginner to expert.

Outdoor Pursuits Center (OPC) "The Shop"

Located in PE 002, the OPC provides a place to hang out and talk gear and adventure. The OPC is staffed by-students for-students. We rent camping and other outdoor gear plus you can barrow yard games for free to play on campus.

OP Online

This is our brand new, born of the pandemic, program area that includes Web delivered content that includes discussions, interviews and multimedia productions on topics related to outdoor participation, gear and leadership.

Podcasts, videos or Web resources, all are included in the OP Online. Topics on OP online have included trail building, technology, climbing 14ers among others. No topic is too obscure so long as it can be (even tenuously) related to the outdoors. We are open to suggestions and looking for guest and panelists.
