  - Met with Chief Phibbs and Commander Molander about campus safety for BIPOC students/community.
    - Looking at continuing conversations with ACPD such as Body Camera, budget updates and more.

SGA opened conversation and mentioned if we could ask Chief Phibbs and Commander Molander to attend one of our SGA meetings to talk to an SGA who is majority BIPOC than the rest of the Auraria Campus SGA's. SGA also mentioned to connect the ACPD to CMEI Student Programs that have a focus on students of color and marginalized identities such as Brother2Brother, Sister Scholars, and Salazar Scholars. In addition, reaching out to larger student identity-based student organizations at MSU Denver such as: Latinx Student Alliance, Black Student Alliance, African Student Union, LGBTQIA+, Dreamers, CAMP, Native Indigenous Student Alliance, and more!

SGA mentioned it would be a great connection point to invite these student programs/organizations to their launch of "SGA Café" to hold space to have conversations with them on a bi-weekly schedule and get them involved.
