

NUTRITION MINOR

Department of Nutrition

303.615.0990

The minor in nutrition is designed to complement a major chosen by a student and/or for individuals who wish to establish a basic understanding of nutrition. A minimum of 18 semester hours is required to complete the minor. A letter grade of at least “C-” must be attained in each of the courses in the nutrition minor. Students should note that programs differ in the minimum grade required.

The nutrition minor will not meet educational requirements for qualification as a registered dietitian nutritionist (RDN). Specific coursework from an accredited institution, an approved internship, and passing a national exam are all requirements to obtain the RDN credential.
