

TO: MSU Denver Community
FROM: Liza Larsen, Director of Accounting Services
DATE: April 13, 2017
SUBJECT: Document Deadlines for Processing by Fiscal Year End 2017

It is time once again to plan for our year-end closing. Attached is a list of final cut-off dates for processing documents for fiscal year 2016-2017. Please take special note of the closing dates on this schedule and plan ahead. **All items received, or services rendered after the published deadlines will be charged to your new year budget.**

The AHEC deadline dates were taken from the March 6, 2017 memo, which was sent by AHEC to all departments, and are presented in this memo for your information. **All** purchase orders will expire on 6-30-17, unless a specific request to carry them forward has been approved by the Director of Accounting Services. Grants are not excluded from this expiration, even if the grant extends into the new fiscal year. **Please remember that a request to roll the purchase order into the new year does not mean your budget will come with it. You must make a separate request to the Budget office to have budget dollars roll forward.** Each department will need to consider when their merchandise will be delivered when creating purchase orders. If merchandise is to be received after 6-30-17, the purchase order should be in the 17-18 fiscal year.

Please call our office and speak to one of the accounting managers if you find that you have a problem meeting the attached deadlines. We will make every attempt to help you resolve the problem, but we would like you to know that we have a very short timeframe to complete the close and would appreciate every effort on your part to stay on schedule.

Thank you very much for your support during the year, and especially during the year-end process. Remember to call us; we are glad to help. A few helpful contact numbers follow:

PHONE NUMBERS FOR ACCOUNTING SERVICES:

Name	Ext.	Service
Main Number	6-3030
