

MSU Denver Major Exploration Worksheet

Accounting

Advanced Manufacturing Sciences (Concentration Options:

Aerospace, Civil Eng. Tech, Computer Info Systems, Computer Science, Electrical Eng. Tech, Industrial Design, Mechanical Eng. Tech, Operations Mgmt)

Africana Studies (Concentration Options: Secondary Social Studies Licensure)

Anthropology

Applied Geology

Art (BA & BFA)

Art Education

Art History, Theory and Criticism

Aviation and Aerospace Management

Aviation and Aerospace Science (Concentrations Options:

Pro-Flight, Air-Traffic Control, Aerospace Operations)

Banking

Biochemistry

Biology (BA & BS) (Concentration Options: Secondary Science Licensure)

Brewery Operations

Broadcast Journalism

Business Intelligence

Chemistry (BA & BS) (Concentration Options: Secondary Science Licensure)

Chicano Studies (Concentration Options: Secondary Social Studies Licensure)

Civil Engineering Technology (Concentration Options: Structures, Construction)

Communication Design

Communication Studies (Concentrations: Professional & Organizational Comm, Rhetoric & Public Culture)

Computer Engineering

Computer Information Systems

Computer Science

Construction Project Management (Concentrations:

Computer Info Systems, Facilities Mgmt, Management)

Criminal Justice and Criminology

Cybersecurity

Dance

Early Childhood Education

Economics (Concentration Options: Secondary Social Studies Licensure)

Electrical Engineering Technology

Elementary Education

English (Concentration Options: Lit, Film, & Media Studies, Writing, Secondary English Licensure)

Entrepreneurship

Environmental Engineering

Environmental Science (Concentration Options: Secondary Science Licensure)

Event and Meeting Management

Exercise Science

Finance

Fire and Emergency Response Administration

Gender, Women, and Sexualities Studies

Geography

Global Business Studies

Step 1. Narrow down your choices:

Search this list for *majors that interest you*.

- Cross off what you don't like
- Circle what you do like
- Star the majors you'd like more information on
- Use this as a first step in your exploratory process

**Helpful hint: Use the [University Catalog](#) as a resource to learn more about these programs

Health Care Information Systems

Health Care Management

Health Care Professional Services

History (Concentration Options: Secondary Social Studies Licensure)

Hospitality Leadership (Concentration Options: Food & Beverage, Recreation & Tourism Mgmt)

Hotel Management

Human Development and Family Studies

Human Services (Concentration Options: Addiction Studies, High Risk Youth Studies, Mental Health Counseling, Nonprofit Studies, Trauma, Paramedic)

Industrial Design

Integrative Health Care-International Business

Journalism

K-12 Teaching Licensure Programs: Art, World Languages, Music, and Physical Education

Lifestyle Medicine

Linguistics

Management

Marketing

Mathematics (Concentration Options: Secondary Mathematics Licensure)

Mechanical Engineering Technology

Media Production and Leadership

Meteorology

Modern Languages

Music

Music Education

Nursing

Nutrition and Dietetics

Nutrition Science

Philosophy

Physics (BA & BS) (Concentration Options: Secondary Science Licensure)

Political Science (Concentration Options: Secondary Social Studies Licensure)

Professional Selling

Psychology

Public Health

Public Relations

Social Work

Sociology

Special Education

Speech, Language and Hearing Sciences

Sport Management

Statistical Science

Sustainable Systems Engineering

Technical Writing and Editing

Theatre (BA & BFA)

Video Production

Step 2. Organize and Prioritize:

Using the major list from the first page, respond to the following reflection prompts.

How easy/hard was it to cross off majors on this list?

What major(s) did you find interesting, that you didn't know about before?

Now, look only at the majors you did not cross off:

In what major(s) do you have total confidence? Meaning, which major(s) do you feel confident that you'd enjoy?

In which major(s) would you like to try a course or two? (**Hint: let your advisor know when you meet with them**)

Which major(s) would be the most challenging for you to pursue?

Which major(s) did you find the most intriguing? (**Hint: this is a good thing to bring up with your advisor**)

Step 3. Follow up with an Exploratory Advisor

Exploratory Advisors can help you process your thoughts and guide you through next steps in your academic journey.

To make an appointment: Contact Exploratory Advising at exploratoryadvising@msudenver.edu or schedule online through the Navigate Student portal by going to: <https://msudenver.guide.eab.com/>

Exploratory Advising is located on the first floor of the Jordan Student Success Building at Window#2
