

**Metropolitan State University of Denver
Psychology Major, B.S.—Clinical & Counseling Concentration**

Below are the requirements to complete a B.S. in Psychology with a Clinical & Counseling Concentration. Please regularly consult with a Psychology advisor to ensure that you are making good progress toward degree completion and for assistance selecting elective courses that are consistent with your career goals.

Psychology Core (16 crs):

Students must complete **each** of the following five required courses.

The Clinical & Counseling Concentration requires that PSY4650 be taken as the Senior Experience requirement in the BS program.

_____	PSY1001—Introductory Psychology (3 cr)
_____	PSY2001—Careers & Professional Dev in Psychology (3 cr)
_____	PSY2310—Statistics for the Social & Behavioral Sciences (3 cr)
