

Metropolitan State University of Denver

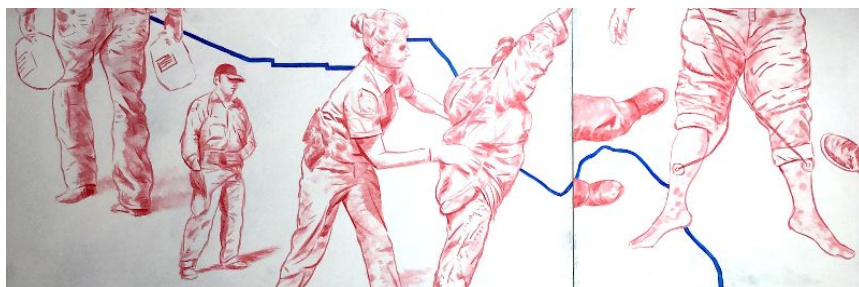

OPENING MAY 24 | 10TH BIENNIAL MSU DENVER ART DEPARTMENT EXHIBITION | ON VIEW THROUGH JULY 20, 2019

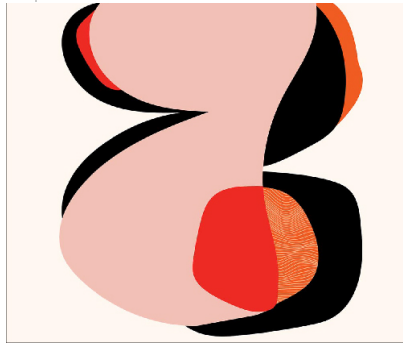

The **10th Biennial MSU Denver Art Department Exhibition** offers a peek into the studio art and design practices of MSU Denver's art faculty and staff and celebrates our vibrant visual art community.

Join us opening night from 6-8 pm on Friday, May 24 for sips, snacks and conversation.

I'll Be There!

CVA Members are invited to see it first (and get first dibs on refreshments) starting at 5:30 pm. Not a member yet? [Join today!](#)

The [10th Biennial MSU Denver Art Department Exhibition](#) brings together 31 diverse and talented artists working across a wide variety of media representing each artist's unique experiences, influences and interests.

Morocco Through Four Lenses will be on view in the 965 Project Gallery May 24 - July 20, 2019. This exhibition features work by MSU Denver students that explores patterning and ornamentation through four lenses: culture, pattern, place and self.

The 965 Project Gallery is a student-led space that is curated and managed by MSU Denver student employees who are mentored by gallery and museum professionals and art faculty.

CVA's exhibitions and programs are free and open to everyone thanks to our members, donors and sponsors. Become a member and learn how you can support CVA at www.msudenver.edu/cva/support
