This employer is a Government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA), which requires Government contractors to take affirmative action to employ and advance in employment: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans; and (4) Armed Forces service medal veterans.

If you believe you belong to any of the categories of protected veterans listed above, please indicate by checking the appropriate box below. As a Government contractor subject to VEVRAA, we request this information in order to measure the effectiveness of the outreach and positive recruitment efforts we undertake pursuant to VEVRAA.

These classifications are defined as follows:

- ☐ I am not a protected veteran.
- ☐ A "**disabled veteran**" is one of the following:

In particular, if you were absent from employment in order to perform service in the uniformed service, you may be entitled to be reemployed by your employer in the position you would have obtained with reasonable certainty if not for the absence due to service. We are a federal contractor or subcontractor required by law to provide equal employment opportunity to qualified people with disabilities. We are also required to measure our progress toward having at least 7% of our workforce be individuals with disabilities. **Step 2:

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) for most accurate withholding for this step (and Steps 3–4); **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below for roughly accurate withholding; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld . . . ▶ ☐

**TIP:** To be accurate, submit a 2022 Form W-4 for all other jobs. If you (or your spouse) have self-employment income, including as an independent contractor, use the estimator.

**Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs.** Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

**Step 3:

## General Instructions

Section references are to the Internal Revenue Code.

### Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to [www.irs.gov/FormW4](http://www.irs.gov/FormW4).

### Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

**Exemption from withholding.** You may claim exemption from withholding for 2022 if you meet both of the following conditions: you had no federal income tax liability in 2021 **and** you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if (1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2023.

**Your privacy.** If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

**When to use the estimator.** Consider using the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) if you:

1. Expect to work only part of the year;
2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
3. Have self-employment income (see below); or
4. Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## Specific Instructions

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

**Step 3.** This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

**Step 2(b)—Multiple Jobs Worksheet** (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App).

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 . . . . . **1** \$ \_\_\_\_\_
- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
  - a** Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a . . . . . **2a** \$ \_\_\_\_\_
  - b** Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b . . . . . **2b** \$ \_\_\_\_\_
  - c** Add the amounts from lines 2a and 2b and enter the result on line 2c . . . . . **2c** \$ \_\_\_\_\_
- 3** Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. . . . . **3** \_\_\_\_\_
- 4 Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld) . . . . . **4** \$ \_\_\_\_\_

**Step 4(b)—Deductions Worksheet** (Keep for your records.)

- 1** Enter an estimate of your 2022 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income . . . . . **1** \$ \_\_\_\_\_
- 2** Enter:  $\left\{ \begin{array}{l} \bullet \$25,900 \text{ if you're married filing jointly or qualifying widow(er)} \\ \bullet \$19,400 \text{ if you're head of household} \\ \bullet \$12,950 \text{ if you're single or married filing separately} \end{array} \right\}$  . . . . . **2** \$ \_\_\_\_\_
- 3** If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" . . . . . **3** \$ \_\_\_\_\_
- 4** Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information . . . . . **4** \$ \_\_\_\_\_
- 5 Add** lines 3 and 4. Enter the result here and in **Step 4(b)** of Form W-4 . . . . . **5** \$ \_\_\_\_\_

## Statement Concerning Your Employment in a Job Not Covered by Social Security

---

Employee Name \_\_\_\_\_ Employee ID# \_\_\_\_\_

Employer Name \_\_\_\_\_ Employer ID# \_\_\_\_\_

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

### Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

### Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

### For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at [www.socialsecurity.gov](http://www.socialsecurity.gov). You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

## AGREEMENT FOR AFFILIATE FACULTY

I understand that, in consideration of my execution of the Agreement, the Department Chairman, Director, or Program Coordinator may arrange for me to teach classes on a temporary basis and recommend that I be appointed, but agree and acknowledge that the final authority concerning my employment rests with the President of the University and its Board of Trustees.

I understand that if enrollments do not warrant my employment as a part-time (Affiliate) faculty member; should the budget for the University not be sufficient to justify my retention; or should the efficient use of regular faculty members or other part-time faculty members with previous teaching experience at the University require it, I will not receive a part-time agreement for the entire semester, but shall be compensated only for the time actually spent performing services for the University. The determination concerning the above conditions shall be at the sole discretion of the University through the Provost / Vice President for Academic and Student Affairs.

In the event that this appointment is subsequently terminated by the University prior to the completion of services required, remuneration shall be based upon services actually performed at the then current rate for pay for affiliate faculty.

This Agreement in no way commits Metropolitan State University of Denver to offer employment to me during any given term during any given fiscal year.

Some key guidelines to note are faculty are required to meet each class session as scheduled, including the class scheduled for the Final Exam, and post grades. College policy requires that **ALL ABSENCES BE REPORTED TO THE DEPARTMENT CHAIR AND ASSISTANT CHAIR**, before they occur if possible. Specific and additional requirements will be outlined within each department.

This Agreement is designed to clarify my relationship with the University pending acceptance by the President for Metropolitan State University of Denver of the recommendation for my employment as a part-time faculty member.

### **Federal Educational Rights and Privacy Act (FERPA)**

FERPA is a federal law protecting the privacy of a student's educational records and applies to any educational institutions that receive funds under any program administered by the U.S. Department of Education. Violation to FERPA would result to the University losing the ability to provide financial aid to our students.

FERPA rights belong to the student at a postsecondary institution regardless of age. Student applies to all students—including continuing education students, students auditing a class, distance education students, and former students.

Metropolitan State University of Denver maintains educational records for each student who has enrolled at the University. Under the Family Education Rights and Privacy Act of 1974, 20 USC 1232g, and the implementing regulations published at 34 CFR part 99, each eligible student has the right to:

1. Inspect and review his/her educational records;
2. Request the amendment of the student's education records to ensure that they are not inaccurate, misleading or otherwise in violation of the student's privacy or other rights;
3. Consent to the extent that FERPA authorizes disclosure without consent (see Nondisclosure and Exceptions in the University catalog under Student's Rights and Responsibilities.
4. File a complaint under 34 CFR 99.64, concerning alleged failures by the University to comply with the requirements of FERPA, with the Family Compliance Office, U.S. Department of Education.

As a staff or faculty member at MSU Denver, it is your responsibility to oversee and uphold the rights of FERPA grants to our students. Basic guidelines include:

- Do not display any personally identifiable data or information which includes, but is not limited to student's name, the name of the student's parent or other family members, the address of the student or student's family, a personal identifier such as SSN, student number or biometric record. Other indirect identifiers such as the student's date of birth, place of birth, mother's maiden name, or other information alone or in combination that is linked to a specific student.
- Student educational records are considered confidential and cannot be released without the student's prior written consent.
- As a student worker, staff, or faculty member, you are given access to student educational records for the sole purpose of performing your job. It is your responsibility to protect educational records whenever they are used and regardless of the medium in which they are accessed.
- Do not use anyone else's username or password or allow anyone to use yours. Log out of Banner when not in use and lock your computer when you walk away.
- When in doubt, do not give it out. Do not hesitate to call the Office of the Registrar at 303-556-3991 for any FERPA guidance.

**EMPLOYEE NOTIFICATION OF WORKER'S COMPENSATION PROCEDURES\***

I, \_\_\_\_\_ (Print or type name), have been notified by my employer/supervisor of the Worker's Compensation Procedures. In the event I am involved in a work related injury or illness, I understand that MSU Denver has designated medical facilities that serve as approved medical providers for all work related injuries or illnesses. I understand that if I do not receive medical care for work related injuries or illnesses from the designated clinic or an approved 24-hour after care facility, or any specialists to which they refer me, **EXCEPT IN THE CASE OF A SERIOUS EMERGENCY**; I could be financially responsible for payment of that care.

I have received the above referenced procedures and have been informed that authorization is required from my employer before I seek medical care for non-emergency, work related injuries or illnesses.
