* The Graduation rate is the cumulative percentage who have graduated as of the end of the summer term following a given academic year. Full-time students were enrolled for 12 hours or more their first semester at MSU Denver. They may not have been enrolled full-time in subsequent semesters. Part-time students were enrolled for less than 12 hours their first semester at MSU Denver. They may not have been enrolled part-time in subsequent semesters. The cohorts consist of students who enrolled for the first time in the fall semester and students who enrolled for the first time in the summer and who continued in the subsequent fall semester. This definition of a cohort complies with the specifications of the IPEDS Graduation Rates Survey. (IPEDS - Integrated Postsecondary Education Data System)

* The Graduation rate is the cumulative percentage who have graduated as of the end of the summer term following a given academic year. Full-time students were enrolled for 12 hours or more their first semester at MSU Denver. They may not have been enrolled full-time in subsequent semesters. Part-time students were enrolled for less than 12 hours their first semester at MSU Denver. They may not have been enrolled part-time in subsequent semesters. The cohorts consist of students who enrolled for the first time in the fall semester and students who enrolled for the first time in the summer and who continued in the subsequent fall semester. This definition of a cohort complies with the specifications of the IPEDS Graduation Rates Survey. (IPEDS - Integrated Postsecondary Education Data System)
