

# 2022 Curriculum Review Cycle Deadlines

## Curriculum Proposals Modifying the 2023-2024 University Catalogs (Graduate and Undergraduate)

From the Departments to the Curriculum Committees (Simultaneous Review Step)	Friday, September 16, 2022
From the Curriculum Committees to the Academic Affairs Office	Friday, December 9, 2022
From Academic Affairs Office to the Registrar's Office	Friday, January 13, 2023

### Types of proposals included in the above deadlines:

Creating, re-designating, or modifying courses with special designations (Service Learning, General Studies, Multicultural, and Senior Experience), creating or modifying courses without special designation, program modifications, creating or changing a prefix, changing a department or program name, creating a new program\*, discontinuing a program\*, changing ownership of a program, and all changes included on Course Modification #2 (form) and Course Modification #3 (form).

*~Proposals that are received by the committees after the above deadline will be delayed in the review process and therefore miss inclusion in the new catalog. Proposals received in Academic Affairs after December 9, 2022 will be held for the addendum or next catalog. ~*

---

## Non-Curricular Catalog Updates (Graduate and Undergraduate)

Due to the Academic Affairs Office Friday, December 9, 2022
---

### Types of updates included in the above deadline:

Policy updates, faculty and staff listing updates, academic calendar, etc.

**\*\*Please note that policy updates require Faculty Senate Academic Policy Committee approval\*\***

---

## Additional Information:

- If you are making larger changes to your programs, please contact the Curriculum, Academic Effectiveness, and Policy Development Office so we can support you in this process.
  - Catalog changes will be built into the draft catalog as they are received, and early submissions are encouraged.
  - Proposals should be submitted in a complete and proofed version. **Incomplete proposals will be returned to the department and/or originator and may have a delayed review time.**
  - If a committee requests additional information or revisions, originators should submit this information no more than **10 business days** after the committee request.
  - **The above deadlines are final and cannot be extended.**
  - Information and deadlines regarding the Summer 2023 catalog addendum will be distributed in the spring 2023 semester.
- 

## Catalog Publication Schedule

Draft UG/Grad Catalogs Completed	Friday, February 24, 2023
Draft UG/Grad Catalogs Review	Monday, February 27 -Wednesday, March 8, 2023
UG/Grad Catalogs Published	Friday, March 10, 2023
UG/Grad Catalog Change Report Published	Friday, April 14, 2023
PDF UG/Grad Catalogs Completed	Friday, May 12, 2023

\* Note on New or Discontinued Programs: These changes often require additional/external levels of review (BoT, CCHE, HLC) and can take up to an additional 6 months *beyond* the curriculum process. Please contact the AVP for Curriculum, Academic Effectiveness, and Policy Development and the Director of Curriculum and Catalog to discuss the individual requirements for your specific programmatic needs and associated timelines.
