

Accuplacer AAF – Advanced Algebraic Functions
Testing Information & Resources

In order to register for a college Algebra course, you will need to study and take the Accuplacer AAF to determine which class is the best fit. You will not be able to register without a placement device.

[Testing Services](#) is currently available in-person and online.

You can “Request a Math Distance Test” (**the online option**) for the Accuplacer AAF by filling out [this form](#).

The AAF is available on campus in **Tivoli Room 347**. Drop-in testing is available Monday through Friday from 9am to 3pm. Please bring a photo ID and your student ID number.

The Math Department provides this [review packet](#) as an example of the types of problems you will encounter on the Accuplacer AAF. *This is a great diagnostic tool to determine whether you’re ready for the placement test!*

Studying for twelve to fifteen hours is highly recommended to increase your likelihood of placing into College Algebra. Below are some Algebra review materials to help you prepare for the Accuplacer AAF:

Self-Paced Tutorials:

- [Algebra Help](#)
- [Khan Academy](#)
- [Purple Math](#)

On-campus Tutoring:

- [Math Department Tutoring](#)
- [MSU Denver Tutoring Center](#) – available Monday through Friday 8 to 5 in [JSSB Suite 220](#)
- [STEM Learning Center](#) in Science 1009 (also available online)

AAF Review Sessions with the Math Department:

Saturday, 21 May 2022 10:00 am – 1:00 pm [virtual via Teams](#)

Friday, 10 June 2022 1:00 pm – 4:00 pm in Science building, room 1068

Saturday, 9 July 2022 10:00 am – 1:00 pm [virtual via Teams](#)

Friday, 12 August 2022 1:00 pm – 4:00 pm in Science building, room 1068
