

Engagement opportunities for **ACCOUNTING AND FINANCIAL SERVICES**

The MSU Denver College of Business is accredited by AACSB International. Fewer than 5% of business schools worldwide have earned this accreditation. This ensures a high-quality business education and great career prospects. Connect with MSU Denver by supporting and tapping our talent pipeline; engaging in diversity, equity and inclusion work; taking advantage of brand and partnership opportunities; and accessing our professional learning and development offerings.

Talent Pipeline

Partner with us to build a sustainable diverse talent pipeline for your organization. Participate in recruiting events and post opportunities for jobs, internships, service learning and volunteering. Contact C2Hub@MSUDenver.edu to connect with your industry navigator.

Career Link

Post your jobs and internships on the MSU Denver job board.

EVENTS

Internship Marketplace

Opportunity to promote your organization and internship program.

Business & IT Career Fair

Recruit for all functions across your business.

Meet the Firms

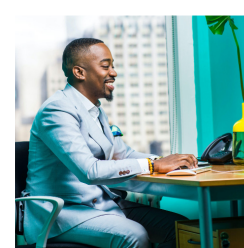

The Accounting program's largest recruiting event. Co-sponsored with the Accounting Student Organization (ASO), this is an excellent professional networking opportunity for students and employers.

Spring Job & Internship Fair

As one of our largest recruiting events of the year, this fair is a perfect opportunity to recruit spring graduates or students for summer internships.

Now Hiring Series

Employer sponsored event to present information about your organization and employment opportunities.

Diversity, Equity & Inclusion

MSU Denver provides companies with a direct line to a workforce and talent pipeline that reflects Colorado and provides all students equitable career opportunities. Build a more diverse and inclusive work environment by investing in top talent and accessing equity resources.

Diversity in the Workplace Series

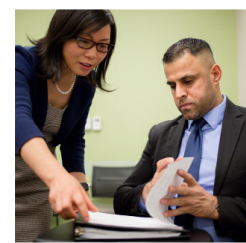

Join community and industry partners during these informative workshops hosted by MSU Denver to learn about DEI recruiting strategies and best practices.

C.O.M.P.A.S.S. Program

Participate in our professional mentoring program, Community of Mentoring Professionals and Student Scholars. This program is mentee-driven and features a combination of virtual and in-person opportunities.

DEI Programming and Events

Engage in rich dialogue and advance professional learning for students through our DEI-focused events and programming.

Professional Learning & Development

Develop your employees with certificates, undergraduate degrees, master's programs, and continuing education.

Employee Training

Upskill employees by taking advantage of our certificate programs such as a Personal Financial Planning certificate.

Scholarships & Stipends

Support student retention and graduation via scholarships and stipends tailored to support the interests of your organizations.

On-site Visits

Employer hosted events designed to introduce students to an organization's employment opportunities and work culture. Employer plans and organizes the entire event, MSU Denver advertises and gets students to participate.

Branding & Partnerships

Advertise and engage students through guest lecturing, scholarships, and student services. Collaborate with faculty experts on research and assessment projects.

Guest Speaking

Share your knowledge and expertise with students in the classroom. Join our Roadrunner Roster directory and get connected with faculty.

Accounting Student Organization

The ASO is a student organization that assists business students in gaining a more complete accounting education. Support as a guest speaker or sponsor one of their events.

Roadrunner Advisor Network

Join our Roadrunner Advisor Network and support College of Business students by providing career conversations, a mock interview, or other career advice.

Branding Packages

Increase your visibility on campus with promotional and branding options through the C2 Hub and the College of Business.

College of Business Mock Interviews

Support students as they practice answering behavioral and situational questions and provide them with feedback.
