

# LATINO/A FACULTY AND STAFF ASSOCIATION

November 15, 2017

Evelyn Guzman, M.Ed  
LFSA President  
New Student Orientation  
Coordinator

Evelynn has been at MSU Denver since June of 2015. After completing her M.Ed in College Student Affairs and Educational Leadership. You can find Evelynn in HSI Implementation Team meetings, welcoming our new students to campus, and of course serving as our Latino/a Faculty and Staff Association President.

## How has being a part of LFSA influenced your time at MSU Denver?

"LFSA has been an exciting roller coaster ride for me. I came to MSU Denver at a time when LFSA was flourishing and it really did help me feel welcome here. Once I took on the role of president, I began to experience opportunities that led to more opportunities for involvement and recognition on

## What advice would you give Latinx faculty and staff in as they go through their day –to–day work routines?

"I know it may seem like our schedules are so busy that there is no way we can make it to a meeting or a social. What I do is I schedule meetings, professional developments, and happy hours into my calendar so that I can time manage and plan around them to have enough time to give to my role in my office. I would say to my colleagues to try to make it to at least one event a month outside of their departments to network and build relationships with those in our community.
