-

Ten Constitutional Preambles You May Not Know

Oxford Constitution of the World

United States of America

WE THE PEOPLE of the United States, in Order to form a more perfect Union, establish **Justice**, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

Iron Triangle Examples

The term "iron triangle" is a term used to describe the dynamics of policy-making between special interest groups, Congress and governmental agencies. The interrelationship between these three factions can create a self-sufficient (and sometimes corrupt) sub governmental situation in which American citizens' best interests are ignored in favor of receiving special favors and regulation changes for passing particular legislation.
