

# AURARIA LIBRARY FACULTY SERVICES

---

## About Us

The Auraria Library supports the diverse populations of the **Community College of Denver**, **Metropolitan State University of Denver**, and the **University of Colorado Denver** in achieving academic success. We meet users wherever they are by providing access to information, services, and expertise 24/7, and teach research skills that enable and inspire life-long learning.

## Partners in Student Learning

### Library Instruction

- Download Canvas modules on information literacy topics such as citations, topic development, and source evaluation. Just search “Auraria Library Research Modules” in the Canvas Commons.
- Get help with research assignment design and activities.
- Schedule a librarian-facilitated in-person or online instruction session for your students on how to do research.

### Course Readings

- Meet with a librarian for help in navigating possibilities and resources within the world of Open Educational Resources.
- Diversify your syllabi by integrating readings from marginalized and historically under-represented communities.
- Place your textbooks on Course Reserves so that students can access required readings that they might not be able to purchase.

## Research Support

- **Consultations:** Schedule one-on one appointments for you and/or students.
- **Borrow from other libraries:** Use our Interlibrary Loan and Prospector services to get books delivered to our library from other collections around the world.
- **Request a purchase:** Let us know what materials you would like the library to acquire to support your research and teaching.
- **Ask Us Chat:** Chat with a librarian 24/7 who can support you and your students with research help and library information.
