# Unions start with YOU!

"To make sure colleges are not just the province of the rich, we need to fight for the right of every student to have an affordable education and to ensure every academic worker—from adjunct teacher to lecturer, to tenured professor—a workplace with the autonomy, respect, compensation and career stability they deserve."

Randi Weingarten, President, AFT

## **THE UNIVERSITY WORKS BECAUSE WE DO!**

Over the last 20 years, MSFF has developed productive relationships with MSU Denver's administration while also working to ensure our members' interests, privileges, and rights are respected. Our success depends on the voluntary association of faculty and the passion of our members.

## **LET'S MAKE IT WORK FOR YOU, TOO!**

### **OUR FIGHT:**

- Increased pay
- Manageable workload
- Shared governance
- Independent faculty voice
- Grievance resolution
- Legal resources
