

Department of Mathematics and Statistics

Major in Mathematics with a Concentration in General Mathematics Effective Fall 2023

Purposes of the Major

The Department of Mathematics and Statistics offers a major in Mathematical Sciences with a concentration in **General Mathematics**. The goals of this program are to provide students with

- broad-based and coherent preparation in the various disciplines that constitute the mathematical sciences and
- considerable flexibility among upper division course choices to meet the needs of those students with diverse mathematical interests.

The Department also offers a **minor** in Mathematics.

Advising Information

This document, **Major Requirements**, summarizes the departmental course requirements for graduating with a Bachelor of Science degree in mathematics with general mathematics concentration. Consult the College Catalog for other graduation requirements, including the required **minor**.

You are strongly encouraged to talk to one or more of the **faculty advisors** in the area of mathematics (listed below) as you plan your academic program.

Further information about current course offerings, as well as email addresses and office hours for faculty advisors, is available through the Department's Web site at

<https://msudenver.edu/math>

Faculty Advisors in Mathematics with General Concentration

Dr. Shahar Boneh	SI 3018	303-615-0740	bonehs@msudenver.edu
Dr. Henc Bouwmeester	SI 3016	303-615-0758	hbouwmee@msudenver.edu
Dr. John Carter	SI 1050	303-615-0726	jcarter1@msudenver.edu
Dr. Diane Davis	SI 1064	303-615-0730	ddavi102@msudenver.edu
Dr. Benjamin Dyhr	SI 3030	303-615-0749	bdhyr@msudenver.edu
Dr. John Ethier	SI 3017	303-615-0739	jethier@msudenver.edu
Dr. Brooke Evans	SI 1056	303-615-0733	bevans21@msudenver.edu
Dr. Brendan Fry	SI 1054	303-615-0729	bfry2@msudenver.edu
Dr. Don Gilmore	SI 1065	303-615-0738	gilmored@msudenver.edu
Dr. Nels Grevstad	SI 1053	303-615-0728	ngrevsta@msudenver.edu
Dr. Chris Harder	SI 3028	303-615-0748	harderc@msudenver.edu
Dr. Mark Koester	SI 1038	303-615-0759	koesterm@msudenver.edu
Dr. Yanxi Li			
Dr. Patricia McKenna	SI 1057	303-615-0734	mckennap@msudenver.edu
Dr. Mona Mocanasu	SI 3023	303-615-0747	mmocanas@msudenver.edu
Dr. Rob Niemeyer	SI 1036	303-605-7192	niemeyel@msudenver.edu
Dr. Shelley Poole	SI 3034	303-615-0756	srohde2@msudenver.edu
Dr. Elizabeth Ribble	SI 1022	303-615-0299	emccl3@msudenver.edu
Dr. Shelley Rohde	SI 3034	303-615-0756	srohde2@msudenver.edu
Dr. David Ruch	SI 2028	303-615-0736	ruch@msudenver.edu
Dr. Linda Sundbye	SI 3022	303-615-0746	sundbyel@msudenver.edu

Declaring a Major

To declare a major in mathematics with concentration in general mathematics, visit the Department of Mathematics and Statistics in SI 1022, or call (303) 615-0299. You should declare your major/concentration at least by the time you have finished the core requirements (listed below), and you absolutely must do this by the time you have completed 60 credit hours toward the degree.

Requirements for the Major ¹

Core Mathematics Courses	Semester Hours
MTH 1410 Calculus I.....	4
MTH 2410 Calculus II	4
MTH 2420 Calculus III	4
MTH 3100 Introduction to Mathematical Proofs	3

One of the following courses	Semester Hours
MTH 2540 Scientific Computing with Python.....	4
MTH 2520 R Programming	4
CS 1050 Computer Science 1	4

A minimum of 22 credit hours chosen from MTH 2140², or any upper-division mathematics course with the exception of MTH 3240. The 22 credit hours must include at least 20 upper-division hours, at least seven hours of 4000-level courses in mathematics, including at least one Senior Experience course in mathematics, and one of the following sequences:

MTH 3110 and MTH 3140²
 MTH 3110 and MTH 4110
 MTH 3210 and MTH 3220
 MTH 3420 and MTH 4440
 MTH 4210 and MTH 4230
 MTH 4410 and MTH 4420
 MTH 4480 and MTH 4490

Total hours required41

¹ A grade of "C-" or better is required in each course included in the major.

² Only one of the three courses MTH 2140, MTH 3130, and MTH 3140 can be counted

General Advising Guidelines

The suggestions below will help you complete your course of study in a timely manner. You should make every effort to follow them:

- Note that many mathematics courses are not offered every semester. Also note that, in the semesters in which they are offered, a course may only be offered during the day or in the evening. Course rotations can be found at <https://msudenver.edu/math>
- Complete the core mathematics courses and courses needed to satisfy the General Studies requirements as quickly as possible.
- Declare the major/concentration by the time you complete the core courses.
- Plan your sequence of courses with prerequisites in mind. Note that MTH 3100 is a prerequisite for most upper-division courses.
- Take no more than two upper-division mathematics courses in the same semester. To do otherwise may jeopardize your grades and content understanding.

Requirements for Transfer Students

- For mathematics courses from another institution to satisfy a requirement for the major, the content must match, not just the name of the course.
- You must meet all the requirements for the program based on all courses taken both at other institutions and at MSU Denver.
- You must take at least eight hours of upper-division mathematics courses at MSU Denver.
- The last 12 hours of coursework toward the degree must be taken at MSU Denver unless you have taken at least 45 hours of coursework at MSU Denver.

If you would like additional information on this program or other programs offered by the Department of Mathematics and Statistics, please visit the Department's Web site at:
