## Sustainable Systems Engineering (SSE) B.S. Minimum 128 credits

Minor (NOT required)

This is not an official list of degree requirements. Adjustments may be required due to curriculum changes. Starting Fall 2023. Recommendation only.

|                       | First Year  |    |
|-----------------------|---|----|
| Fall:<br>18 Credits   | SSE 1040 Life Cycle and Systems Engineering-An Introduction | 3  |
|                       | SSE 1215 Engineering Graphics-Solid Modeling                | 3  |
|                       | MTH 1410 Calculus I   | 4  |
|                       | CHE 1100 Principles of Chemistry AND CHE 1150 Laboratory    | 5  |
|                       | Written Communication                                       | 3  |
|                       | Total Credits   | 18 |
| Spring:<br>18 Credits | SSE 2000 Engineering Safety and Quality Assurance           | 3  |
|                       | SSE 2100 Basic Electronic Systems                           | 3  |
|                       | PHY 2311 General Physics I <b>AND</b> PHY 2321 Laboratory   | 5  |
|                       | MTH 2410 Calculus II  | 4  |
|                       | Written Communication                                       | 3  |
|                       | Total Credits   | 18 |

|            | Third Year   |    |
|------------|--|----|
| Fall:      | SSE 3185 Fundamental Fluid Mechanics with Laboratory   | 4  |
| 15 Credits | Social Behavioral Sciences (GD or ESSJ)*               | 3  |
|            | Arts and Humanities (GD or ESSJ)*                      | 3  |
|            | PHY 2331 General Physics II AND PHY 2341 Laboratory    | 5  |
|            |  |    |
|            | Total Credits  | 15 |
| Spring:    | SSE 3000 Fundamental of Systems Design                 | 3  |
| 15 Credits | SSE 3070 Machine Elements and Mechanical Systems       | 3  |
|            | CET 3120 Engineering Economy (Recommended SBS)         | 3  |
|            | EVE 3200 Environmental Sustainability in Urban Context | 3  |
|            | SSE 3300 Thermodynamics and Heat Transfer              | 3  |
|            | Total Credits  | 15 |

|                       | Second Year                                    |    |
|-----------------------|--|----|
| Fall:                 | SSE 2200 Materials Science                     | 3  |
| 18 Credits            | MTH 2420 Calculus III                          | 4  |
|                       | SSE 2150 Mechanics of Statics Systems          | 3  |
|                       | Oral Communications                            | 3  |
|                       | Arts and Humanities (GD or ESSJ)*              | 3  |
|                       | Total Credits                                  | 16 |
| Spring:<br>17 Credits | SSE 2350 Engineering Programming               | 3  |
|                       | SSE 3135 Strength of Materials with Laboratory | 4  |
|                       | SSE 3160 Mechanics of Dynamics Systems         | 3  |
|                       | MTH 3420 Differential Equations                | 4  |
|                       | Historical (GD or ESSJ)*                       | 3  |
|                       | Total Credits                                  | 17 |

|                       | Fourth Year                                       |    |
|-----------------------|---|----|
| Fall:                 | MTH 3210 Probability and Statistics               | 4  |
| 14 Credits            | SSE 3730 Control Systems                          | 2  |
|                       | SSE 4160 Geotechnical Engineering with Laboratory | 4  |
|                       | SSE 4000 Sustainable Systems Engineering          | 3  |
|                       | SSE 4280 Energy and Power                         | 3  |
|                       | Total Credits                                     | 16 |
| Spring:<br>13 Credits | SSE 4200 Sustainable Development Strategy         | 3  |
|                       | SSE 4610 Capstone: Senior Design Project          | 3  |
|                       | Approved Elective                                 | 4  |
|                       | Approved Elective                                 | 3  |
|                       |   |    |
|                       | Total Credits                                     | 13 |

SSE Approved Electives: SSE 3100, SSE 3175, SSE 3500, SSE 4300, SSE 4500, SSE 4700, ENV 4200, MKT 3000, or PSC 3020
