Strengths Assessment of Applicant

Instructions: Please evaluate the applicant's level of proficiency in each category below. It is expected that applicants will be stronger in some areas than in others. You will be evaluating the strengths as defined below.

- **Academic Potential:** Ability to formulate ideas, develop a plan, and execute a project through to completion.
- **Emotional Capacity:** Ability to manage emotions while working alongside diverse populations within changing environments.
- **Responsiveness:** Ability to know when to ask for help or clarification and responds to communications and/or requests in a timely, positive manner (i.e. within 1-2 business days or the standard of responsiveness for the organization)
- **Leadership:** Ability to influence others in the aid and support of accomplishing a shared and ethical task, through the ability to recognize individual strengths and direct those strengths towards shared objectives.
- **Teamwork:** Ability to work with others towards a common goal through cooperation, collaboration, communication, and resource sharing, always keeping the team goals prioritized over individual goals/needs.
- **Effective Communication:** Ability to communicate in ways that people can hear them in different contexts.
