About this List

This is a collection of external/private scholarship opportunities shared by other students in the community. The scholarship organizations listed on this list are not affiliated with MSU Denver

We update this list once a year, but due to the time that it takes to update the information, some scholarships may or may not exist any longer.

If you see a scholarship that no longer exists, email our program staff at immervices@msudenver.edu so we can take it down.

Similarly, if you know of a scholarship opportunity not on this list please share it with us so that we can add it to the list

Thank You
