

#RoadrunnerTuesday: November 28, 2023 Social Media Toolkit

Roadrunner Tuesday is a special time of year when Roadrunners from around the world show their support for a worthy cause at MSU Denver. This Roadrunner Tuesday, you can **fill a plate and feed a student** when you make a gift to the Roadrunner Food Pantry.

More than 1800 unique students accessed the food pantry last year, and as the new semester started this fall the pantry has seen more than 600 student visits every week! When you make a gift on Roadrunner Tuesday, your support will keep the food pantry shelves stocked and our student's stomachs full. **It costs \$60 to feed a Roadrunner for a year, our goal is to feed 800 students by raising \$40,000!** This Roadrunner Tuesday, you can know your donation will be a great impact to a student who otherwise may not know where their next meal would come from. Any gift, no matter the size, will help to ease the life of a student.

In this toolkit, you will find:

- Sample Facebook, Instagram and Threads posts for the day before, day of, and day after
- Social media graphics and photos to use on #RoadrunnerTuesday (found in the Social Graphics folder)

Feel free to customize any of the social media posts and emails to fit the project that you are supporting! Be sure to share your messages through multiple email and social media outlets to maximize your Roadrunner Tuesday reach.

Follow MSU Denver on our social media networks and share our posts:

Become an Advocate on GiveCampus

Visit: <https://www.givecampus.com/schools/MetropolitanStateUniversityofDenver/roadrunner-tuesday-2023>

Make *your* impact at MSU Denver by encouraging your classmates, family, and friends to support your campaign. With the Advocate features on GiveCampus, spreading the word about your campaign is easy, fun, and rewarding. You can help other donors' gifts go further, add your own story to the campaign, and even track how many clicks, gifts, and dollars your outreach is driving in real time.

1. The first step to becoming an Advocate is to **sign up for a GiveCampus user account**. Visit [givecampus.com](https://www.givecampus.com) and click 'Sign Up' in the top right of the page. It's important to know that simply signing up for a user account won't make you become an Advocate-- to become an Advocate, you must take *active* steps to *inspire others* to make gifts. Once you're signed up for and logged into your GiveCampus user account, you can become an Advocate for #RoadrunnerTuesday by taking one-- or better yet, all!-- of the following steps:
2. **Consider your own gift!** Great advocates lead by example and you can leverage your gift to encourage others to give! Offering a Match means that you'll give a number of dollars for each dollar or donor that the campaign receives up to your specified maximum gift amount. You can restrict Matches to only apply to donors from an affiliation group, class year, or even a specific group of friends. Offering a Challenge means that you'll give a gift *only* if the campaign receives a certain number of donors or dollars after you set up the Challenge. Challenges cannot be restricted to specific donor groups.
3. **Create a Personal Plea.** A Personal Plea is a quick video in which you tell the MSU Denver community why you're excited about the campaign, and why others should get involved. Shooting a short "un-selfie" video on your cell phone is all you need to do to add *your* story to the campaign! After recording your video, head to the Advocates tab on the campaign page to upload your Personal Plea.

I will match up to \$ 100

4. **Share the campaign link.** The built-in sharing buttons (located underneath the campaign video and on the Advocates tab) generate a campaign link that is unique to *you*. When you use these buttons to share the campaign link **while logged into your**

GiveCampus user account, the number of clicks, gifts, and dollars generated by your outreach will be tracked next to your name on the Advocates tab. Share on Facebook and Twitter to blast your friends' feeds with news about the campaign, and share over text and email to make direct, can't-ignore, peer-to-peer asks. Share early and share often!
