Women's Spirituality

ASYNCHRONOUS ONLINE

10/16- 12/16

CRN: 54404

This course explores the spiritual, psychological, social, political, and cultural aspects of the women's spirituality movement through reading, research, critical reflection, writing, and optional creative /experiential projects.

Students engage these concepts and theories in relation to women's experiences within diverse religious traditions, as well as personal spiritual understanding and practices. In
