- **Summer Science Scholars**

Apply in Workday JR134 Summer Science Camp Mentor  
 Questions: Contact Lori Taylor [ltaylo50@msudenver.edu](mailto:ltaylo50@msudenver.edu)

**QR Code Scams**

1. QR Codes in Emails – These emails pose as credible companies. They ask for additional or clarifying information.
2. QR Code Payment - Scammers are placing QR codes in parking lots for payment taking you to their website for payment not the parking lot's website.
3. QR Code Package – Scammers are sending packages you did not order. Inside the package is a QR code for more information on the package. You are asked to give personal information to return the package.
4. QR Code Donation – Scammers impersonating a charities

**How to Protect Yourself:**

- Preview the link
- In a public place make sure the QR code is not a sticker
- Go to the company's official website to verify or contact the company
