

BS in Accounting

Prepare to Succeed with
Your In-Demand Degree

Opportunities can be found in companies of all sizes, government agencies, and community service organizations. Many graduates also work in local, regional or international certified public accounting (CPA) firms or create their own firms.

Become a part of this exciting and diverse field with an accounting degree from Metropolitan State University of Denver.

On top of a strong foundation in accounting essentials, major electives let you focus on a specific area of interest. Popular electives include:

- Voluntary Income Tax Assistance
- Mergers and Acquisitions
- International Accounting
- Governmental Accounting
- Accounting Ethics and Professionalism

Why Major in Accounting?

Accountants and auditors have higher than average salaries and job security, and with a 10-year job growth projection of 4%, the outlook for accountants and auditors is positive (Bureau of Labor Statistics).

The Department of Accounting at Metropolitan State University of Denver is dedicated to helping you prepare for a job in the fast-growing accounting profession. We'll help you become the professional you've always wanted to be.

Our mission is to provide students with high quality, accessible, enriching undergraduate and graduate accounting education in the heart of the city. We'll prepare you for careers, graduate education, and lifelong learning in a global and technological society. The department is committed to ethical values, continuous improvement, and mutual respect within an inclusive campus community.

Small Classes Taught by Dedicated Faculty

Our small class sizes (with an average of just 24 students) enable you to actively interact with your professors and your peers. Our faculty are student and teaching focused, experienced, and nationally recognized.

Every MSU Denver BS degree in Business also features a rigorous core of business classes, so that you'll learn foundational skills in business writing, communication, management, marketing, analysis, accounting, and more.

Abundant Internship and Placement Opportunities

The Applied Learning Center is always available to assist you in finding an internship.

Internships enhance your education through work experiences related to your academic major or minor. The Applied Learning Center provides resources to help you find and select an internship that advances your career goals. Once you have an internship, they can also help you get the most out of it and also help you get academic credit.

Accredited by AACSB International

The MSU Denver College of Business has been accredited by AACSB, which is the preeminent worldwide standard-setter for quality in business education. Globally, only 5% of business schools are accredited. Accredited schools must uphold the highest standards and commit to continuous improvement. It serves as the marker of a world-class business education—not only for students, but also for employers who demand the best from graduates.
