Small Classes Taught by Dedicated Faculty

Our small class sizes (with an average of just 25 students) enable you to actively interact with your professors and your peers. Our faculty are student and teaching focused, experienced, and nationally recognized.

Every MSU Denver BS degree in Business also features a rigorous core of business classes, so that you'll learn foundational skills in business writing, communication, management, marketing, analysis, accounting, and more.

Abundant Internship and Placement Opportunities

The Applied Learning Center is always available to assist you in finding an internship.

Internships enhance your education through work experiences related to your academic major or minor. The Applied Learning Center provides resources to help you find and select an internship that advances your career goals. Once you have an internship, they can also help you get the most out of it and also help you get academic credit.

Accredited by AACSB International

The MSU Denver College of Business has been accredited by AACSB, which is the preeminent worldwide standard-setter for quality in business education. Globally, only 5% of business schools are accredited. Accredited schools must uphold the highest standards and commit to continuous improvement. It serves as the marker of a world-class business education—not only for students, but also for employers who demand the best from graduates.
