

NeuroCURE: Two-week paid summer research internship

Ever wondered what a career in research might look like?
Join us!

May 28 – Jun 10 2024: Learn about neurons as the building blocks of the nervous system and then manipulate and record from them in crickets!

How to apply:

<http://tinyurl.com/NeuroCURE2024>

- Stipend provided!
- Complete a research project
- Visit labs at CU
